

The Wilson is a chalet-style home designed to fit any landscape, from a riverfront to a mountain-top view. The Master-Bedroom and Bath are conveniently located on the first floor. Two additional bedrooms and a full bath are located upstairs. In the timbered open-concept greatroom there is plenty space for guests to gather. Imagine the pleasure of relaxing in this spacious sunroom with its glowing fireplace, and large windows that bring your beautiful surroundings to the inside.

*A full set of blueprints of this plan is available. Photo and floor plans may differ slightly from actual blueprints.*
