

Woodlawn

2,000 sq. ft.
3 BR / 2-1/2 BA

The Woodlawn boasts the popular wrap-around porch with attractive gabled entry and flanking dormers on the outside and convenient, step-saving features on the inside. The kitchen is only steps away from the dining nook, laundry room and garage. The great room has a large stone fireplace, timbered ceiling and winding staircase leading up to the second floor. The large master bedroom has its own private outside balcony, walk-in closet and master bath. There's so much to like about this plan and its eye-catching appeal – tastefully blended with practical, contemporary features.
