

Alpine

1,928 sq. ft.
3 BR / 2-1/2 BA

SECOND FLOOR

FIRST FLOOR

The Alpine is a picturesque 3-bedroom home with its inviting porch and features galore inside. The popular open-concept great room has an impressive large stone fireplace, visible from the inside and out, and a fully timbered cathedral ceiling. The master bedroom has its own private walk-in closet and master bath large enough for the hot tub you've always wanted and a double sink. Upstairs, there are two bedrooms and a bath. The loft is perfect for an entertainment center or office and offers a dramatic view of the dining area and great room below. The Alpine offers lots of living in a practical and economical design.

A full set of blueprints of this plan is available. Photo and floor plans may differ slightly from actual blueprints.
